COMMENTS FROM STAFF AND BOARD

Dr. Barnes highlighted the Band Exhibition that took place last week noting it was, as always, outstanding. He recognized the hard work of Mr. Szczerowski, all the parent volunteers and the entire music team. In closing he noted we are seven weeks into the school year and wants to remind everyone of what an amazing staff we have with over 700 employees noting it truly takes everyone to get this off the ground each year. He remarked this is a great place to work and he appreciates the efforts of the staff.

Ms. Kuykendoll sent kudos to the high school for their recent career fair noting the incredible turn out and the many compliments received from agencies represented at the event. She commending the marching band and noted fall sports are in full swing. She gave a huge shout out to Jen Daly for her work with Community Recreation programs commenting it is incredible to see the many kids who participate in the programs.

Dr. Glasscoe shared she had the opportunity to talk with a parent who is looking at returning to school under Michigan Reconnect. She noted the parent shared they have a student who attends Grand Ledge and she expressed her appreciation for the parent sharing that her student probably checks every box for every service we provide in the district including but not limited to special education and being a student of color. The parent was very positive about the growth she has seen in the district over the time. Dr. Glasscoe went on to express her appreciation for the conversations with people. The parent shared Grand Ledge is the best school district for her children, regardless of the struggles, they have been able to address with staff and administrators who have been responsive. The parent remarked her student has gotten the best education they could have gotten. Dr. Glasscoe sent kudos to teachers and administrators commenting we are very blessed to have employees who work hard when they are on the clock, but they are working hard to support our students and community even when they are off the clock.

Dr. Barnes expressed his appreciation that board members are seeing what we are seeing on the day-to-day. He noted we know we are not perfect and we still have work to do but we have great employees.

President Smith commented on our projected student enrollment being positive and the district has reattained our pre-pandemic enrollment numbers.

Dr. Barnes noted our student count was very positive however the numbers are still just a projection and a better update will be provided with our next budget amendment but confirmed we are pretty close, if not over our pre-pandemic enrollment.

Melissa Allen

August 15, 2023

Dear Grand Ledge Public Schools,

I understand that there is an opening for a Kindergarden Teaching position for the 2023-2024 academic school year. I graduated from Siena Heights University in May of 2013 as a certified elementary school teacher with a ZS endorsement. After two years of full time employment as the Director and Lead Preschool Teacher of Onsted Community Schools Great Start Readiness Program, I was blessed to have the opportunity to pause my professional career to raise my young children. However, during that time my teaching certification lapsed. I have been in communication with the State of Michigan and was able to verify my qualification for a Proud Michigan Educator Campaign waiver for recertification.

I hope you will take a few moments to review my credentials in consideration for the elementary teaching position. In addition to my strong professional experience, you will find that I also have outstanding personal qualities. Some additional qualifications and characteristics are:

- Member of Onsted Community Schools MERT (Medical Emergency Response Team)
- Outstanding Student Teacher Award; Siena Heights University 2013
- Additional field experience (preschool-fifth grades); successful experience planning and delivering integrated lessons that sparked students' interest, creativity, and desire to learn
- Highly effective classroom management style that creates an environment in which all students can learn
- Multiple years of substitute teaching (K-12)
- Home-bound teacher for Onsted High School in 2012

I am elated to continue my teaching career as a part of a competitive and elite school district. I hope that Grand Ledge Public Schools will consider applying for a recertification waiver on my behalf. I look forward to meeting with you to further discuss my candidacy for this open position. I am available to meet at your convenience. Thank you in advance for considering my application .

Sincerely,
Melissa M. Allen

NEW BUSINESS

A. Farm Land Lease Award

PROPOSED MOTION: I move the Grand Ledge Public Schools Board of Education award the 4-year Farm Land Lease to Shady Lodge Farm, LLC, as presented.

Business Office

TO: Dr. Bill Barnes, Superintendent
FROM: Julie Waterbury, CFO
DATE: October 19, 2023
RE: Farm Land Lease

Recommendation:

John Piper, Bond Supervisor, and I recommend the Grand Ledge Public Schools Board of Education accept the bid of Shady Lodge Farm LLC for the lease of District owned property located at St. Joe Highway and Nixon Rd.

2024	\$13,600
2025	\$13,600
2026	\$13,600
2027	\$13,600

Background Information:

The District has leased approximately 80 acres of tillable farm land located on St. Joe Highway and Nixon Rd, commonly known as the Bitzer Farm, since 2005. The most recent lease agreement expired in December 2018. Shady Lodge Farm LLC has continued to farm the land since the lease expiration.

The District sought bids for a four- year lease term and two bids were received. Copies of the submitted bids and the request for proposal document are enclosed.

Because the Bitzer Farm land is not utilized for educational purposes, the District is liable for property taxes on the associated parcels. The property taxes are approximately \$4,000 annually and will reduce the annual net profit of the farm land lease to \$9,600.
