

BEAGLE MIDDLE SCHOOL ADDITIONS & RENOVATIONS
BOARD PACKET

GUIDING PRINCIPLES

- 1. Design spaces and systems that are easily adaptable, require low maintenance and have low-life cycle costs.**
- 2. Maintain a consistent classroom experience between old and new spaces.**
- 3. Create a welcoming and accessible community experience.**
- 4. Create a regionally-recognized aquatics competition facility.**
- 5. Embrace the needs of each learning environment to design unique spaces that engage students.**
