# The Overview

At Grand Ledge Public Schools (GLPS), we have a special vibe — the heart of who we are. It expresses our beliefs, vision, and mission. It carries forward our traditions, reflects our culture today, and points toward our aspirations for the future.

When we communicate with students, families, staff, and the community, our VIBE – Visual Identity & Branding Essentials – ensures the message is clear: we are GLPS, and we are Growing Learners, Preparing Students.

A strong visual identity and consistent brand are not just about looking good. They tell our story in ways that build recognition, credibility, and pride. Every color, font, logo, and design choice carries meaning. Together, these elements form a unified identity that says to the world: this is Grand Ledge Public Schools. When we present ourselves cohesively, students, families, staff, and the community feel a stronger sense of pride, connection, and trust.

This guide makes that easier. It provides the tools and standards we need to present ourselves clearly and consistently. Whether you are designing a flyer, writing a newsletter, coaching a team, or speaking at an event, these guidelines help us all communicate with one voice and one look – aligning with our strategic plan and reinforcing a message of community, belonging, and growth.

Our VIBE – Visual Identity & Branding Essentials – ensures the Grand Ledge Public Schools story is recognizable, memorable, and unmistakably ours.
