

Dr. Bill Albrecht | Principal | Holbrook Elementary

Greetings Holbrook Families,

Welcome to the Comet Family! We are glad that you have chosen Grand Ledge Public Schools, and we are excited for the opportunity to learn and grow with your child and your family over the next year and beyond. To help prepare for the upcoming school year, we want to share some important information with you:

1. We have two **parent meetings** scheduled for this Spring: the first parent meeting is **Thursday, May 16 at 6:00 p.m.** and the second is **Wednesday, May 22 at 6:00 p.m.** At these meetings, we will discuss our two programs, Begindergarten (BK) & Kindergarten. We will also discuss school supplies needed, and other important information to help you and your child prepare for their kindergarten year. **We ask that you attend only one parent meeting.**
2. Please sign up for one of our Kindergarten Launch sessions. [CLICK HERE TO SIGN UP FOR KINDERGARTEN LAUNCH](#). If you have questions or concerns, or need more information, please contact our office, or contact Sarah Finley at Sawdon at (517) 925-5447 [finleys@glcomets.net](mailto:finleys@glcomets.net) if our office is closed for the summer.
3. If you have questions about Adventure Club at our building, please follow this link: <https://www.glcomets.net/ourdistrict/adventureclub/>
4. If you requested transportation upon enrollment, you will be contacted by our transportation department in mid August with information about routes and times. Our team stays busy all summer ensuring that our routes are efficient and will get your child to school and safely and on time.
5. The Holbrook Open House for Kindergarteners only will take place on Monday August 26th, from 5:00-6:30 p.m. You will find out who your child's teacher is between the launch session and the Open House. Open House for grades 1-4 will be held on Thursday, August 22 at 5:30 - 7:00.
6. Your child's first day of school will be August 27th, 2024. A full school calendar can be found on the Grand Ledge Public Schools homepage at [www.glcomets.net](http://www.glcomets.net).

Please be sure to complete all enrollment requirements and we look forward to seeing you at one of our parent meetings this Spring.
