These documents will contain information on the following topics:

1. District inspections-6 month surveillance
2. Response actions and post response action activities
3. The location of the appropriate building Management Plans
4. Operations and Maintenance program and records
5. Modifications to the District's Management Plans
6. 3 year re-inspection documentation

Grand Ledge Public Schools may repair asbestos containing materials during the 2024-2025 school year in the following buildings:

1. Grand Ledge High School
2. Beagle Middle School
3. Hayes Intermediate School
4. Sawdon Administration Building
5. Delta Center Elementary
6. Holbrook Elementary
7. Willow Ridge Elementary

Grand Ledge Public Schools will maintain asbestos containing materials in all schools and buildings owned by Grand Ledge Public Schools during the 2024-2025 school year. All contractors working inside any of the buildings are required to complete a Short Term Worker Notification Form. It must be signed and turned into the Operations office prior to beginning any work. Contractors working on bond construction projects must obtain asbestos information from Clark Construction, construction managers for Grand Ledge Public Schools.

Supplemental public notifications will be provided if previously unaddressed Response Actions need to be implemented.
